Capt. Zarcone – thanks again for your help on everything! Re: Alan's email below, is he just making assumptions because he saw a patrol car parked there? (or have they closed the area to all but residents)?

And as an fyi, I've attached a flyer that has directions to Griffith Observatory away from the Labor Day. On Labor Day the LAPD cadets were handing it out at the Vista and in Beachwood, but I don't know if it is helpful or not today – as the Observatory and Los Feliz Blvd and neighborhoods are extremely busy as well today (and over the holidays...)

Thanks again,
Catherine

Well, now that C4 has pretty much closed for the holiday we are on our own. There does not appear to be 1 city department managing the enforcement process.

We have been here before. Feels like being on a trapeze without a net.

This is what we elected. Same stuff different day.

Thank you.
